Guarantee that this is Positively
the Largest and Best Offer of the
Contest. This great inducement
will Come to a Close on June 18th.
So be up and Doing Every Mo-
ment of the Intervening Time.
You Cannot Afford to be Inactive
when there is so much at Stake.

The greatest offer of the contest is now on and everyone who is at all interested in this race is working as they have never worked before. The contest is getting more and more exciting every day especially now that some of the dark horses have begun to forge to the front and loom up as very strong possibilities.

Have you made up that list of friends, neighbors, relatives and acquaintances whom you have not yet approached. If you have not, you should do so at once and lose no time in getting into communication with them. Remember, also all those persons whom you saw earlier in the contest who put you off until a later date, communicate with all of these; explain to them that you get triple votes for your efforts now and under the circumstances they won't refuse to help you. It is bargain time in this record breaking contest and you simply cannot afford to fail to avail yourself in the fullest of this magnificent offer.

Get out and hustle for your favorite—let nothing prevent. This is your opportunity—gasp it—don't let it pass. If you have a telephone, solicit whatever subscriptions you can in that manner and then go and get them so that you may have the benefit of the triple vote offer. If you haven't a phone, cover as much ground as you can each day. Make every moment count from now until June 18th for now the reward of your efforts will be triple and 3,000 extra votes on every dollar.

Six Prizes Offered

As explained in the last issue, we added six more prizes (three to each district) to the big prize list. These prizes consist of two beautiful writing desks, one purchased from J. L. Beazley and one from W. A. Tribble, two beautiful cream serge coat suits or silk dresses, purchased from Severance & Son and two of the famous H. B. Smith Fountain Pens. The contestants and their friends are invited to call at the stores where these handsome prizes were purchased and inspect them.

Until further notice, contestants may poll 20,000 votes in advance of the leader of the preceding issue.

See the beautiful diamond rings and watches on display at the store of the well known jeweler, Mr. W. H. Mueller of this city. The \$350 piano is on display at the I. J. office. Call and see it.

HEAVY DAMAGES AGAINST SOUTHERN RAILWAY

Jury Awards Casey County man Verdict for Injuries—Other Court News.

After weeks of suspense on the part of the numerous applicants for the jobs at the disposal of the Governor, the plum tree was shaken on Wednesday and Gov. McCreary announced his selections. Gov. McCreary finally decided upon Henry R. Lawrence, of Cadiz; M. F. Conley, of Louisa, and D. E. O'Sullivan, of Louisville, as the members of the new Board of Prison Commissioners. The new board will take charge of the State penal institutions at once. It was generally conceded that Henry R. Lawrence would be a member of the Prison Commission and its probably chairman, but the other two named are distinct surprises. Up until the last moment it was believed that Judge F. A. Bullock of Lexington; Henry M. Cox of West Liberty; J. Norton Fitch of Jessamine county; Urey Patterson, of Bowling Green, Senator Hubbell of this county, were slated for places on the commission. While his many Lincoln county friends are sorry that Senator Hubbell did not land, all agree that the governor exercised splendid judgment in his selection.

Martha Adams Pennington

Martha Adams Pennington, infant daughter of Dr. and Mrs. T. W. Pennington, died at an early hour yesterday morning in Louisville, where the little one had been taken a week ago to be under the care of a specialist. From birth the child had been sick and every effort had been made by the fond parents to bring relief, but to no avail. The little body was brought home last night and the interment took place today in Buffalo cemetery. The unfeigned sympathy of a host of friends goes out to Dr. Pennington and his wife in their sad hours.

New County Committee.

New county committeemen, composed of precinct committeemen, completing the re-organization of the party committee in the entire state, will be chosen by the Democrats of Lincoln county in November, after the election for President. The law as to the manner of selecting precinct and county committeemen is not changed by the new rules. The voters of each precinct will elect precinct committeemen, as heretofore. There was much talk heard, in the Louisville convention, before the organization committee made its report, to the effect that a rule would be adopted allowing the State chairman to name county chairmen who in turn would name precinct committeemen. The committee made no such report and the rumor was merely a rumor, with no foundation. The committee, it is said, did not consider such a thing.

The Lincoln County Medical Society will meet in Hustonville next Tuesday at 10:30 o'clock, June 18th. Drs. Singleton, Jones, Carpenter, and Childers are on the program. A full attendance is urged. M. M. Phillips, Secretary.

Help to Keep Down Expenses

Mrs. J. E. Henry, Akron, Mich., tells how she did so: "I was bothered with my kidneys and had to go nearly double. I tried a sample of Foley Kidney Pills and they did me so much good that I bought a bottle, and feel that they saved me a big doctor's bill. Shugars and Tanner.

Mrs. Lela Love, wife of Wiley over, a farmer living near Covena, Ga., says: "I have taken Foley Kidney Pills and find them to be all you claim for them. They gave me almost instant relief when my kidneys were sluggish and inactive. I can cheerfully recommend them to all sufferers from kidney troubles." Shugars and Tanner.

Wesley Embry

Stanford is watching with a great deal of interest, the work of Wesley Embry who was recently called to Frankfort to pitch in the Blue Grass League. The young man has pitched four games to date and won them all. His last victory was Wednesday when the Nicholasville team went to defeat him by the score of 10 to 3. Embry struck out six men and allowed only five hits.

A Card.

This is to certify that Foley's Honey and Tar Compound does not contain any opiates, any habit forming drugs, or any ingredients that could possibly harm its users. On the contrary, its great healing and soothing qualities make it a real remedy for coughs, colds and irritations of the throat, chest and lungs. The genuine is in a yellow package. Look for Foley's Honey and Tar Compound and accept no substitute. Shugars and Tanner.

SPLENDID WORK BY COUNTY S. S. CONVENTION

Sunday School Workers of Different Denominations in Annual Session.

(By Miss Pauline Hoekker.)

The Annual Bible School Convention of all the Lincoln county schools met in the Christian church of Stanford, Thursday evening and all day Friday, June 6, and 7. In point of attendance, interest and liberality of the offering it far exceeded any previous convention. The Rev. Wm. Hopler led the devotions. The County President, Mr. P. M. McRoberts, presided at the opening services, on Thursday evening, giving splendid address of welcome, showing that the organized Sunday school forces are the greatest power towards the prevention of crime in the world and this being true that the man who is really a good citizen will enlist at once in the Bible School and do all in his power to further it's work. Following a solo of great sweetness by Miss Elizabeth Higgins, Mr. Geo. A. Joplin in the State Secretary delivered the address of the evening on "Is The Boy Worth Saving." The subject, he said, was suggested to him when, several years ago he saw a baby snatched from the track of an on-coming train just in time to save his life. Since then he has asked over a thousand people if the boy is worth saving. Always, he says, the answer has come unhesitatingly that he is. That his value is incalculable. Yet judging from the tremendous amount spent for drink, tobacco and the small sums expended for education, missions and the Bible school it would seem that people do not realize the tremendous damage they are doing to their sons and the sons of their neighbors, by this disproportionate spending. The Bible school saves the boy, therefore help it.

The all day session Friday was for the purpose of presenting to the schools the good points of the front rank standard, and urging its adoption as speedily as possible by all schools. After the preliminary business session, roll call, reports, etc., and the leading the devotions by Rev. J. J. Diekey, Mr. Joplin explained the standard and spoke of the influence it had had on his life. He said that by asking that each school has its apportionment, three cents for each pupil and 15 cents for each officer and teacher, cheerfully remembering the needs of destitute fields.

After such a talk and a few words by Mr. Joplin, needless to say, an offering was taken greatly exceeding any ever given here in times past. While the offering was being made, Misses Annie Rogers Powell and Frances Embry sang "Take My Life and Let it Be" so splendidly that it was one of the most impressive features of the convention.

"Temperance Instruction" was treated by Rev. J. J. Diekey as an essential to a successful Bible school. He recommended a printed pledge to hang on the wall of every church and to be signed by the pupils. "Remembering his written name hanging on the church wall he said that by this the influence of heredity had had on him.

The speaker produced incontrovertible arguments for the importance of heredity, emphasized by statistics. In the notorious Juke family of criminals there have been 11,000 descendants and not one but showed criminal tendencies or idiosyncrasies. In the Johnathan Edwards family of 1300 descendants there have been college presidents and professors, 200 ministers and a long line of prominent men. Aaron Burr, the only bad example among them.

Prof. Shannon showed how God visited the iniquities of the fathers upon the children through the laws of nature and placed the personal responsibility upon the individuals.

The whole nature of man, physical, mental, moral, spiritual, is all subject to heredity. It has been scientifically proven that anger, jealousy and kindred traits produce toxins through the blood and are transmitted. Great care is taken in animal and vegetable life to develop higher species, but little is given to the greatest need, of all, the development of the human race.

The evening service of song and the devotions conducted by Rev. P. L. Bruce were followed by the report of the committees and a talk by Mr. Joplin on our standards or a general summing up of the topics discussed during the day.

It was a splendid convention in every particular. The music, under the efficient direction of Mrs. J. G. Carpenter and the leadership of Rev. D. M. Walker was beautiful and had required much work. To Mrs. Walker who played the organ is due the thanks of the convention for her promptness and faithfulness, as well as to Mr. Walker who presided all day Friday and saw to it that no part of the service was permitted to drag. Dinner was served to fifty three out-of-town delegates at Governor's restaurant.

Mr. J. J. Diekey next gave an excellent talk on Teacher Training, recommending training the teacher by the Sunday school times and showing several charts and maps. She urged every delegate to start a class in his or her school, to be taught either by himself, the superintendent or pastor and to be begun even if only one besides the teacher will enroll.

Mrs. J. J. Diekey then gave an excellent talk on Teacher Training, recommending training the teacher by the Sunday school times and showing several charts and maps. She urged every delegate to start a class in his or her school, to be taught either by himself, the superintendent or pastor and to be begun even if only one besides the teacher will enroll.

She was followed by Rev. C. R. Blaine, who told why and how missionary instruction should be given in a Bible school. A wide awake missionary interest can be kept up if children from their earliest years are taught missions. This can be easily done by the superintendent giving missionary talks, singing missionary hymns, having some pupil tell the life of a missionary or about the work in some field, or supplementing missionary lessons for the quarterly reviews.

With his talk, and the benediction by Rev. H. Carpenter the convention adjourned until 1:30. The first subject after re-assembling was "Graded Lessons," discussed by Mr. Joplin. He showed how the lessons are adopted to the needs of the child and as the child grew the lessons changed so as still to appeal to him and to keep him at work, thereby doing more for the growth in size and interest of the schools in quarterly reviews.

An account

in a good bank means more than mere storing of money.

When you have shown your banker that you can handle your business and yourself satisfactorily it also means that your credit is good for financial aid in your enterprise. It means, too, that with your credit good at your bank, the consequent reputation brings you in more trade, better business bargains and increased social and political prestige.

The Danville Advocate in retracting some of its "sensational charges" concerning Congressman Helm says it does not want to state anything untrue or unfair, which of course means that it has stated what is not true and what is unfair, nevertheless Mr Sullivan is having these untrue and unfair statements printed in the papers of the district at his expense. The Advocate has thrown a fit or two concerning some alleged agreement on the part of Mr. Helm not to enter the present race for Congress, stating that it would produce such a pledge signed by Mr. Helm, in the presence of witnesses, which we said was not true and called on the Advocate to produce, which it could not do.

In a nut shell Mr. Sullivan's frantic efforts to remove Mr. Helm from the race is convincing evidence that he cannot win with the Congressman in it. The gentleman from Madison wanted to make the race two years ago, but after going over the district found that the Tall Sycamore loomed up in every precinct so strong and so formidable that the barrier could not be broken down. Did he then cry out that Helm had promised not to run again? Verily he did not, but if Mr. Helm made such a promise then was the time to have enforced it. And the same is true of the present race, as well as of all other races which Mr. Helm has made. It seems that the opposition to Lincoln's son will have to trump up another or at any rate a more reasonable charge, for this is puerile.

The Danville Advocate utters a long wail against the office holders of Lincoln county, present and prospective, and asks in conclusion if it is not about time for Boyle to have something. Well, if Boyle had any good material—like Lincoln—for instance—it might be possible to cut off a small piece of pie and hand it to her. But as the matter now stands we see no chance for our friends across the line.

The republican National Committee is working the old Taft steam roller to a fare-you-well at Chicago this week. All of the contests so far have been decided in favor of the president. Roosevelt's friends have sent for him to come to Chicago.

Lancaster.

Rev. George A. Joplin, State Secretary, of the Sunday school organization conducted the Garrard county Sunday school convention at the Baptist church Saturday holding an all day session.

W. S. Beazley until recently a wealthy farmer of Garfield, sold to Jonas Weil 140-1,500 pound cattle for July delivery at 8 1-4 cents per pound. This successful farmer also sold other cattle at prices ranging from 7 1-2 cents to 8 cents per pound.

The contesting candidates for the handsome piano in R. S. Brown's dry goods store are doing some active earnest work. At this early date it is quite hard to tell who will be the winner.

Several converts were baptized Sunday afternoon at Conn's pond, having made the good confession at the meeting conducted last week by Elder F. M. Tindall at the New Union church at Hyattsville.

C. A. Arnold, of Garrard, shipped a car-load of first-class porkers to Cincinnati Saturday; there were 100 head in the consignment that averaged 200 pounds in weight; Mr. Arnold raised the greater number of

these on his farm north of Lancaster.

G. A. Bowling, of the Bryantsville section bought 33 head of 400-pound cattle from various parties at Richmond court day which cost him \$17 per head.

J. P. Gregory is out with 10 stripers, harvesting blue grass seed both in Garrard and Boyle counties. A crop of this seed that he has been hauling for years is a 1,400 acre tract belonging to the Gentry Bros., of Boyle. This is the finest one boundary crop in the state and always commands a top notch price in the market.

Mr. Silas W. Moss, who for two years or more has run a successful dairy at this place has sold out and will move with his family to Richmond; Mr. Moss has bought an interest in the hay, grain and feed business of R. L. Arnold, of the Madison county capital and will at once enter into the new partnership.

The Maple dairy including 10 Jersey cows and 7 heifers were bought by Mr. A. H. Bastin, of this city, for \$700 and the dairy establishment will be run by Mr. Henry V. Bastin. New fixtures in the way of sterilized bottles and other necessary things have been ordered by young Mr. Bastin from Chicago who expects to reopen the dairy in about a fortnight.

Improvement at Depot

The roadway behind Stanford's new depot has been opened up and workers are now engaged in preparing for the concrete paving which is to be laid under the train sheds and along the full length of the depot. The passway up Mill street extended, to the freight depot is to be cut off, and traffic to the freight depot will have to be around the new roadway behind the passenger station and around up Depot street. The train shed is also to be extended westward along the tracks for thirty or forty feet farther so as to afford protection for passengers alighting from the chair or Pullman cars in bad weather.

Compulsory Attendance Law

SEC. 3.

Any parent, guardian or other person failing to comply with the provisions of this act shall forfeit to the use of the school within the district in which such child lives a sum not less than five dollars (\$5) nor more than twenty dollars (\$20) for the first offense not less than ten dollars nor more than fifty dollars for the second and every subsequent offence and cost of suit.

Are You Blue and Worried?

Nervous? Some of the time really ill? Catch cold easily and frequently suffer from biliousness or headache? The reason is that your system does not rid itself of the poisons in the blood; just as impossible as it is for the grate of a stove to rid itself of clinkers. The waste does to us exactly what the clinkers do to the stove; make the fires burn low until enough clinkers have accumulated and then prevent its burning at all. Your liver is sluggish—you are dull and heavy—sleep does not rest, nor is food appetizing. In this condition illness develops. Doctor Pierce's Golden Medical Discovery eradicates the poisons from the body—a glycerin alternative extract made from bloodroot, golden seal and mandrake root, stone and queen's root, without the use of alcohol. No matter how strong the constitution the stomach is apt to be "out of kilter" at times; in consequence the blood is disordered, for the stomach is the laboratory for the constant manufacture of blood.

Mrs. Benz Blake, of Port Dover, Ont., Box 36 writes: "I have been a great sufferer for years from throat trouble, catarrh, indigestion and rheumatism. I have seen many different doctors, been in bed, then able to get up again, then again, many different doctors' bills, and still been ill for a little while, then I would go down with chronic inflammation all through me. For nineteen years I had this poison in my blood. After trying nearly everything I could find, I found Dr. Kilmer's Golden Medical Discovery and Dr. Sage's Catarrh Remedy. I have taken five bottles of Dr. Sage's Catarrh Remedy, and am now well again. I feel strong and well again, and thank God for letting me live long enough to find something that made me well again."

Dr. Pierce's Pleasant Pellets regulate liver and bowels.

Out of oldest Egypt comes this new trade-mark of ours. The pyramid of the Pharaohs typifies strength, substantiality, permanency. The wings of the sacred ibis signify lightness, speed, grace. And "the Winged Pyramid" stands for all that's best in automobile construction.

A Feeling of Security.

You naturally feel sure when you know that the medicine you are about to take is absolutely pure and contains no harmful producing drugs.

Such a medicine is Dr. Kilmer's Swamp Root, the great Kidney, Liver and Bladder Remedy.

The same standard of purity, strength and excellence is maintained in every bottle of Swamp Root.

Swamp Root is scientifically compounded from vegetable herbs.

It is not stimulant and is taken in teaspoonful doses.

It is not recommended for everyone.

It is nature's great helper in relieving and overcoming kidney, liver and bladder troubles.

A sworn statement of purity is with every bottle of Dr. Kilmer's Swamp Root.

If you need a medicine, you should have the best.

If you are already convinced that Swamp Root is what you need, you will find it on sale at all drug stores in bottles of two sizes, fifty-cents and one-dollar.

Sample Bottle Swamp-Root Free By Mail.

Send to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle, free by mail—it will convince. You will also receive booklet of valuable information, telling all about the kidneys. When writing be sure and mention the Stanford Semi-Weekly Interior Journal.

Prof. Datson in Somerset

Prof. Josiah Datson, a well-known teacher of music, has moved with his family from Lincoln county to this city and intends to open in a short while a general music store. The professor has been a live wire in the music line in Lincoln county since he moved there twenty years ago. He is a straight-forward, honorable man and we commend him to the good people here as such.—Somerset Times.

Mrs. Rose A. Freeman, Clifford, Va., says they have long used Foley Remedies and want to say a good word for them. She writes: "Foley Kidney Pills cured my husband of a long standing kidney trouble, after he had taken other medicines without relief. We would not be without Foley & Co.'s medicines in our house for many time their cost. Shugars and Tanner.

The Epworth League will have an open session next Tuesday night and take a trip to Mammoth Cave with Mrs. J. J. Dickey as guide. **Why cough?
Stop it!**

Stop coughing! Coughing rasps and tears. Stop it! Coughing prepares the throat and lungs for more trouble. Stop it! There is nothing so bad for a cough as coughing. Stop it! Ayer's Cherry Pectoral is a medicine for coughs and colds, a regular doctor's medicine. Sold for seventy years. Use it! Ask your doctor if this is not good advice.

Unless there is daily action of the bowels, poisonous products are absorbed, causing headache, biliousness, nausea, dyspepsia. We wish you would ask your doctor about correcting your constipation by taking laxative doses of Ayer's Pills. Made by the J. C. AYER CO., Lowell, Mass.

There came to my place, a steer. Owner can get same by describing, paying for keep and this notice. W. L. Cordier, Stanford, Ky.
